

INFORMATION FOR KINDERGARTEN PARENTS

Kindergarten is a special time in a child's life. We want to make sure your child has the best possible start. That's why we offer a School Enrichment Program (SEP) for kindergartners. This program provides additional learning opportunities and activities that complement the core curriculum. It's a chance for your child to explore new interests, develop social skills, and build confidence. We offer two options: a half-day program (9:00 AM - 12:00 PM) and a full-day program (9:00 AM - 3:00 PM). Both programs are available to children who are eligible for free or reduced-price lunch. If you're interested, please contact your child's school or the SEP Coordinator at (301) 441-3333.

Visit our website at www.charlescountyschools.org/sep for more information. You can also call your school or the SEP Coordinator at (301) 441-3333.

For more information, please contact the SEP Coordinator in the fall. If you want to visit a site before the end of the school year, please arrange a visit by calling the SEP Coordinator at a school with an SEP site and ask for the SEP Coordinator.
