

## **CMS Solicitation RFQ for Design Services for Track Improvements**

The information contained herein is intended to modify and/or clarify the original scope of work. The Addendum shall and does become a part of the scope of work and shall be covered in the Contractor's solicitation for the work.

It is the Contractor's responsibility to assure that all changes and/or additions noted in the Addendum are included in the bid. Prime Contractors are responsible for assuring that their subcontractors and suppliers in receipt of the information contained in all Addenda.

All bidders shall acknowledge receipt of this Addendum with their proposal package.

1. For RFQ 25-001, can you clarify - Under Qualifications/Proposer Information, #14 says to include Appendix III. Further down under Documentation overview, it states that Appendix III should be submitted Within three (3) business days after receiving Letter of Commitment. Can you please clarify if it needs to be included in the submittal? **Appendix III should be submitted upon notification of contract award.**
3. Can you tell us if any geotechnical and/or materials testing will be required on this contract for the Track improvements? And if so, will their services be contracted directly with CMS or the designers selected? **Contract documentation will not be a role of the architect/d**
