

SHAC Meeting Agenda

Date: May 23, 2024 Time: 2:00pm

Responsibility #1: Work in conjunction with CMS leadership to plan, implement and monitor compliance with CMS Policy JL – Student Wellness and other CMS policies, regulations, and programs related to health and wellness.

Responsibility #2: Review CMS annual progress report related to compliance with Policy JL.

Responsibility #3: Develop resources for staff, students, and parents about CMS health policies and regulations that impact student mental and physical health.

Responsibility #4: Promote student-centered programs intended to positively impact health, wellness and safety.

Welcome, Introductions,
and Icebreaker

School Health Updates
(Monica Adamian)

- Naloxone and AEDs: working with CMS Police to distribute supply. Safety department is working directly with first responders trained. AED boxes are being delivered to schools.
- Immunization reminders over the summer: Messaging and outreach for immunizations. Communications will use various platforms about the recommended immunizations.

EMES

- SBVC-Atrium has added additional schools. At this time we see the capacity to continue to grow in the Fall.

MCPH ICO4MCH- The
Making It Work Tool Kit
(Jussica Haynes & Brooke
Nartey)

- To reduce infant mortality, MCPH ICO4MCH is partnering with local businesses around Mecklenburg county to become breastfeeding-friendly workplaces.
- The goal is to expand our reach to CMS staff in some of our county's most impacted areas.
- The free and available resources our program provides:
 - Lactation Space Upfitting
 - Signage
 - Furniture/decor
 - Site Visits
 - Trainings
 - Employer
 - Employee
 - Lactation Policy

Healthier Generation
(Jukelia Bess & Shauvon
Simmons-Wright)

“We are committed to providing the best possible care for our patients and staff.”
